

Cumberland Caverns

This packing list should serve as a guide for your Cumberland Caverns trip. The Scoutmaster should send a list via email and that list is always the final word. However, as you prepare for your adventures in Scouting, this list will set you on your way.

- Sleeping bag (LIGHTWEIGHT, STUFFABLE, see more under GEAR)
- Sleeping pad (optional, see more under GEAR)
- Water bottle
- Socks. Good hiking socks. 2-3 pairs: A MUST
- Clothing: Lightweight moisture wicking clothing. Pack/wear layers. One set of clothing should be such that can get very dirty or possibly torn (Wear this one to the Caverns). Something to sleep in.
- Headlamp
- Ear Plugs (the boys say that it is difficult to sleep in the main room without earplugs).
- Personal toiletry kit
- Two pairs of shoes: one that can get EXTREMELY DIRTY and one to wear home. Ask the Troop leaders what they recommend.
- Plastic bag for VERY DIRTY clothing and shoes
- Money for the snack bar and Hardees. No food is carried by the leaders on the trip. The boys will be eating nutritious snack bar food and gourmet cuisine from the McMinnville Hardees. Please send enough money to feed your hungry Scout from dinner on Saturday through breakfast on Sunday and a little in between.
